Observations

Marina Isla Canela users will benefit from discounts on the price of travel lift movements.

Services provided on Sundays or public holidays are increased by 100% and must be authorised by the Management.

Invoicing will be based on the REAL dimensions (length x beam) of the boat rounded up to the nearest metre.

The Management accepts no responsibility for damage to persons, damage caused by third parties, theft of boats and deposited goods. (Art. 48 of the MIC Operating Regulations).

The movements of vessels and other auxiliary services may be suspended if weather conditions or other weather conditions or other force majeure conditions make it advisable.

These prices DO NOT INCLUDE VAT at the current rate of 21%.
